AS A MATTER OF CONVENIENCE.
The Incandescent Electric Light is so far superior to any other as to be above comparison, cleanliness, ease of manipulation and exceeding beauty are factors which cannot be refuted. Besides you can obtain a decorative effect with electric lights impossible to accomplish with any other illuminant, and that, too, at a very reasonable cost. It will pay you to investigate further.

LUMBAGO, SCIATICA, NEURALGIA, KIDNEY TROUBLES, CATARRH, ASTHMA AND KINDRED DISEASES

Applied externally it affords almost instant relief from pain, while permanent results are being effected by taking it internally, purifying the blood, dissolving the poisonous substance and removing it from the system.

DR. C. L. GATES

I treated her with '5-DROPS' and today she runs around as well and happy as can be. I prescribe '5-DROPS' for my patients and use it in my practice."
